RENTAL REGULATIONS

- Art. 1** — To rent our vehicles, the user must attend the Villaggio San Francesco Information Office. Rental is reserved for adults only.
- Art. 2** — The Customer has independently selected the model and type of vehicle, has inspected the vehicles and tested their functionality and integrity, thereby certifying that all parts are in good working order. Any modification to the vehicle may be carried out exclusively by personnel authorised by the Villaggio San Francesco Information Office, with the exception of saddle height adjustment, for which the hirer is directly responsible.
- Art. 3** — Use of the vehicles requires the physical fitness and full technical ability of the person intending to ride or operate them. Accordingly, by signing this document, the user expressly declares, without reservation, that he/she possesses adequate ability and appropriate competence.
- Art. 4** — The rented vehicles must be used exclusively as a means of personal transport, with care, common sense and diligence. Commercial use and transfer to any third party are expressly prohibited.
- Art. 5** — The user is responsible for the vehicle from the time of collection until its return to the Operator. The user is also responsible for all damage caused to himself/herself, to the vehicles, to third parties and to property during use of the vehicle. No indemnity, compensation or reimbursement may be claimed from the Operator for damage arising from use of the vehicle.
- Art. 6** — During the rental period, the user does not benefit from any insurance cover provided by the Operator.
- Art. 7** — The Operator reserves the right to carry out checks on users during use of the vehicles and to require their immediate return should it identify improper use or use not compliant with these Regulations.
- Art. 8** — The Customer undertakes to compensate Villaggio San Francesco in full for any damage caused to the vehicle, its parts or the accessories supplied with it.
- Art. 9** — The vehicles must be returned within the agreed times and to the same place where the rental took place. Return shall be deemed completed exclusively upon direct handover to the Operator; merely leaving the vehicle in a different place shall not constitute valid return.
- Art. 10** — In the event of theft of the vehicle, the user must promptly file a report with the competent authorities and pay the Operator an amount equal to the commercial value of the stolen vehicle, namely €1,500.00.
- Art. 11** — For any matter not expressly governed by these Regulations, the relationship between the Parties shall be regulated by the provisions of the Italian Civil Code.
- Art. 12** — Any dispute that may arise between the Parties in relation to these Regulations shall be subject to the exclusive jurisdiction of Treviso Court.
- Art. 13** — Biasuzzi S.r.l., as Data Controller, pursuant to Article 13 of EU Regulation No. 2016/679 (GDPR), informs the user that the personal data provided will be processed exclusively for contractual purposes and for the fulfilment of the related obligations.
